ALMA MATER

1...

THERE ARE SONGS OF LOVE AND DUTY,
THERE ARE SONGS OF WAR AND FAME
BUT THE SONG THAT SOUNDS THE SWEETEST
IS OF ALMA MATER'S NAME.
IT BRINGS BACK SCENES FORGOTTEN
WHILE LOUD OUR VOICES RING,
WHEN IN HONOR OF OUR HIGH SCHOOL
WE ALL UNITED SING.

REFRAIN :

O VICTOR HIGH, WE LOVE THEE
OUR ALMA MATER DEAR,
AND WE SHALL EVER HOLD THEE
TO OUR AFFECTIONS NEAR.

THY NAME, IT STANDS FOR HONOR
FOR COURAGE, CONSTANCY,
TO THEE, DEAR ALMA MATER,
WE PLEDGE OUR LOYALTY.

2...

THO THE YEARS BRING MANY CHANGES;
DUTIES CALL US FAR AWAY;
NEW FRIENDSHIPS THRO' AROUND US;
EYES DIM, AND LOCKS TURN GRAY,
WE NEVER SHALL FORGET THEE,
NO MATTER WHERE WE ROAM,
V. H. S. OUR ALMA MATER,
WILL BE LINKED WITH HOME SWEET HOME.

Dedication

MRS. ELEANOR BARRY

We dedicate this 1950 issue of "Bagel" to you, Mrs. Barry, to show our appreciation for all the assistance you have given us in the presentation of our yearbook. Three years ago you started a tremendous task when you helped the Class of 1948 publish Victor Central's first yearbook. Last year and this year you have continued to help us in completing two more volumes of "Bagel."

Few people other than those on the yearbook staff realize the hours of planning and working which go into a yearbook. We, the members of the Senior Class and the yearbook staff, want you to know that we have appreciated all the guidance and service you have given us and we hope that the many hours you have spent working with us on the yearbook have been happy ones.

Appreciation

MISS MARGARET BROWNLEE

In every production there is always someone behind the scenes to insure a superior performance. Working behind the scenes for the Senior Class has been a very well-liked and wonderful person. Her unselfish efforts in working for the betterment of the class have gone for the past two years seemingly unnoticed. But nevertheless, we, the Class of 1950, sincerely appreciate Miss Brownlee. She has worked harder than any member of our class to make our projects successful. These few words of gratitude are little indeed in comparison with the fond place that Miss Brownlee holds in the hearts of the Class of 1950.

In Memoriam

MISS NORMA OLNEY

Long she lived among us, just being kind,
Loving and serving through all her years;
She gave to all whom she knew and loved,
A faith, that brought hope out of their fears.

She is not gone --- her spirit still lives;
Pointing so true, the way upward and on
To goals and purposes set in the hearts
Of many a child, when he was young.

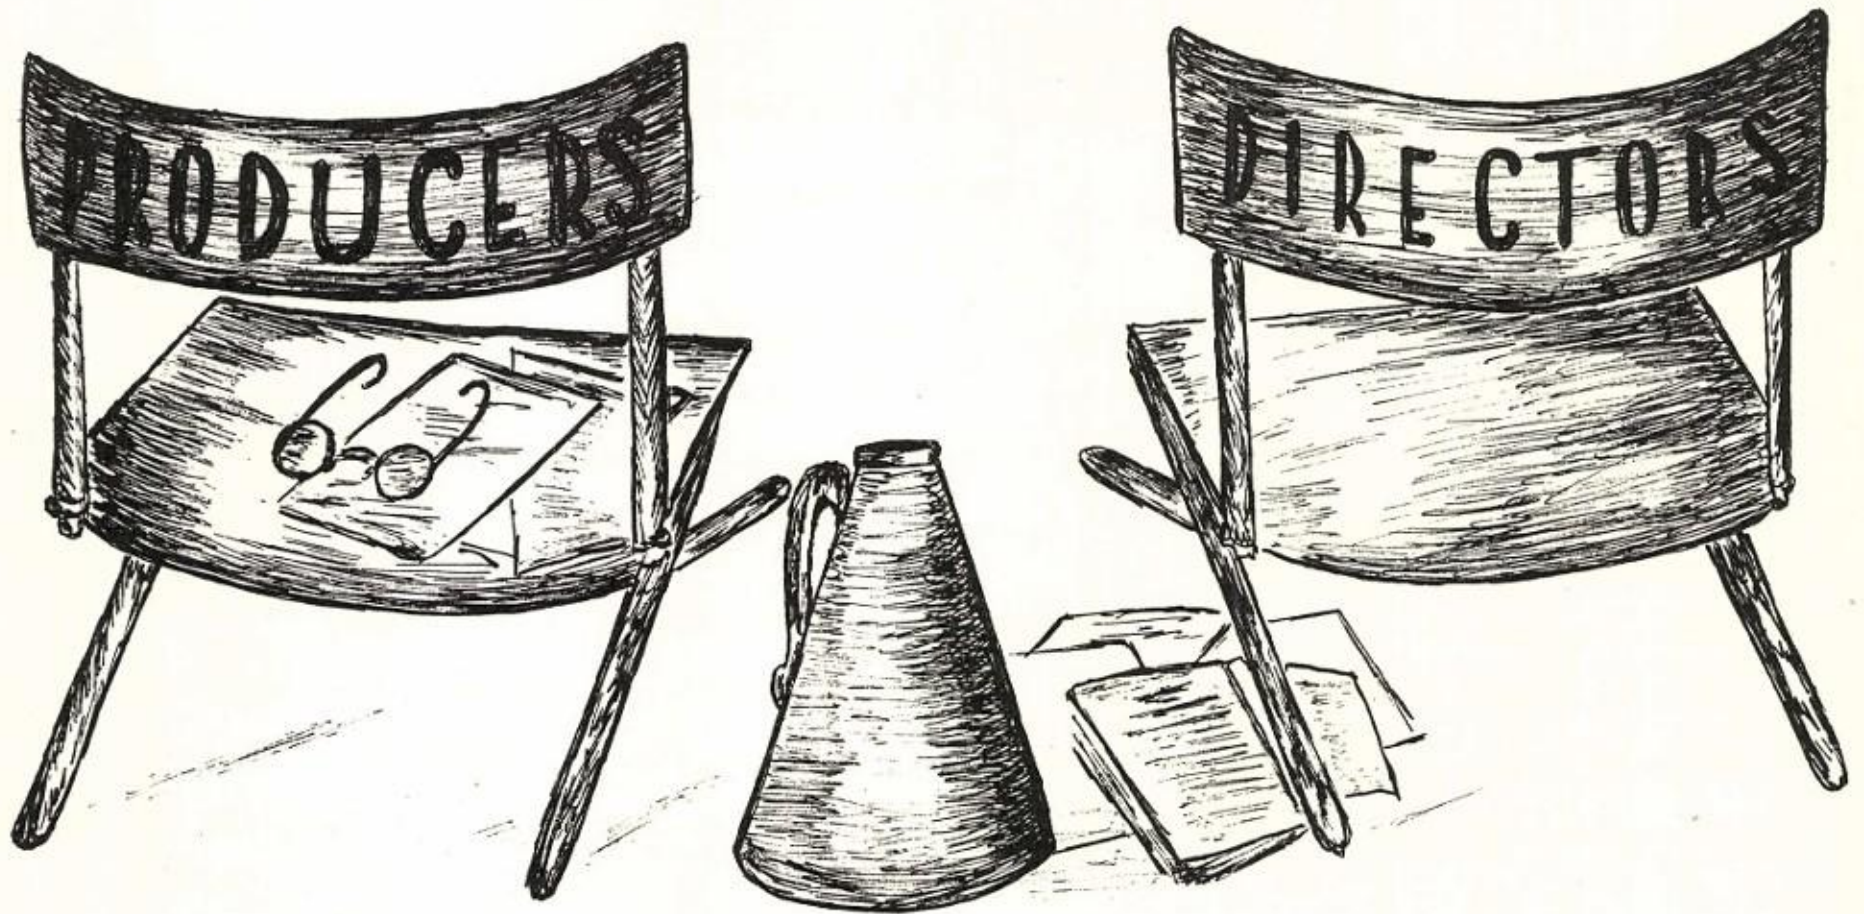

Pupils of hers still hold fast to their dreams,
As they face toward the heights they hope to reach;
And hers were the hands that led them on---
Hers, the heart to inspire ---- then, to teach.

She laid no claim to riches or fame,
Yet left us a legacy that Death can't defy;
A memory that lingers in the hearts of friends,
Of a love that lives --- that can never die.

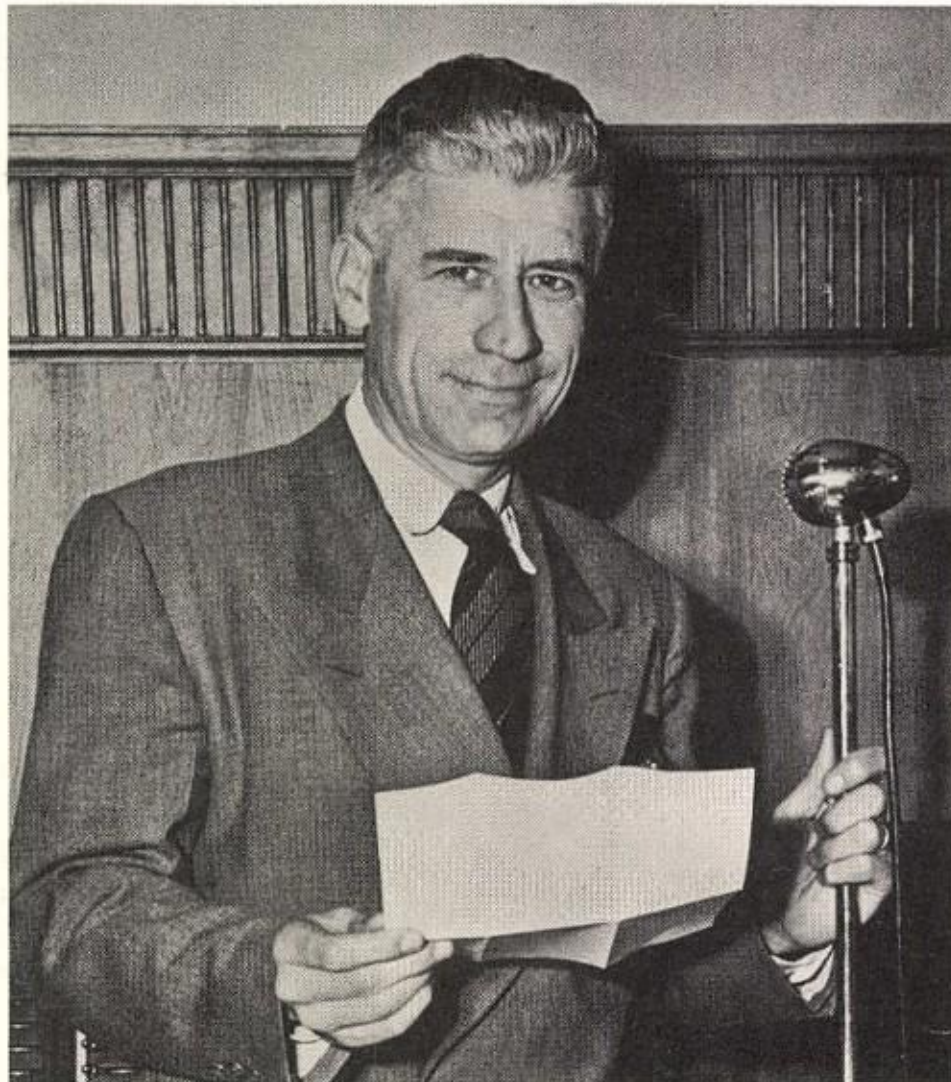

The lessons she taught will ever remain;
Her inspiration lives --- a stepping stone
To a higher, better, more glorious Life---
A living service beyond the tomb.

Dear Students:

Movies are playing an increasingly important part in education in our modern public school. In Victor alone we are spending about \$400 yearly to bring to our school, by way of the moving picture, illustrations to supplement your more formal instructional program.

It is interesting to think back to the early beginnings of the moving picture industry. They were first called "the flickers", and rightly so. Little did we realize the uses (both good and bad) to which visual instruction would be put or the mass appeal which this type of recreation would afford. The introduction of sound, and now technicolor, are proof of the industry's growth and development.

Almost side by side with the development of the movies, we have seen another interesting phenomenon in the field of education develop---the centralized school. About the time the movies were in their infancy, legislation was enacted in this state under the guiding hands of the late Ray Snyder, a farm boy himself, which designed to provide for advantages, which their city cousins enjoyed. Today we see, crystallized in our beautiful central school buildings and fine programs of study, the dreams these pioneers in education visualized thirty years ago.

Sincerely yours,

Alton B. Corbit

The Class of 1950 wishes to express its appreciation to the members of the Board of Education. Working quietly in the background, these men seldom receive the credit due them. Without the many hours of hard work during their meetings and on their own time, the many advantages which are now ours could not have been achieved.

This page offers us an opportunity we do not often have. On behalf of the student body of Victor Central, the Senior Class would like to express its appreciation and gratitude to our Board of Education.

Our History

We started on our long journey to stardom in 1938. Our first scenes of our movie career as first graders were taken in our rooms over the present Victor Post Office. Our next move was into the Bank Building where the second and third grade scenes were enacted. Of the present Senior Class there are only about six of the original cast still together who were with the company at its opening season.

TIME MARCHES ON! The new school building which was completed in '41 provided a new setting for the completion of our class film. With the closing of the district schools many new players merged with the present cast and helped in making scenes four, five, six, seven, and eight for this 1950 production.

LIGHTS! CAMERA! ACTION! The show must go on! We are now Freshmen with Jimmy Antonio as President, Evelyn Brown as Vice-President, Evelyn Golf as Secretary, Ruth Berndt as Treasurer, Esther Aldridge as Student Council Representative and Miss Chambers and Miss Rouchard as our managers. The first of our own financial backing came in the form of a bonus of \$15 for selling the most tickets for the seasonal basketball games. The projector was turned towards our Tag Day and an After-Dance to complete scene 9.

Our next setting was Studio 1—Lab Room. Our President was again Jimmy Antonio with his assistants—Lucille Mahoney, Vice-President; Dorothy Gysel, Secretary; Gordon Gourlay, Treasurer; and Esther Aldridge, Student Council Representative. Our manager was Mr. Weaver. We practiced so-called chemistry during our free homeroom periods. We shot scenes of our Hallowe'en party at the Rod and Gun Club. Our Sophomore Hop made a colorful scene with the streamers and flowers. At the end of this reel we had \$36 in our treasury.

In our Junior year we added about \$700 to our treasury. We had our Junior Prom on the first Friday in May. Our other action shots included a stationery campaign and selling candy and pop at the basketball games. We sponsored dinners for the Rod and Gun Club and the Firemen. This year our manager was Miss Brownlee and from our own cast we chose Charles Lehman for President, Ann O'Dea for Vice-President, Evie Golf for Secretary, and Julie Sullivan for Treasurer, and Jimmy Antonio for Student Council Representative. We had a preview of our Senior Year when we purchased our class rings and moved up to the senior assembly seating in the annual moving-up day exercises in June.

We opened the first scenes of our twelfth year of production by electing Charles Lehman as class President; Ann O'Dea, Vice-President; Margaret Guinan, Secretary; Julie Sullivan, Treasurer; Bill Bowe, Student Council Representative. Miss Brownlee again consented to act as manager and the season opened with a full schedule of appearances lined up for our final year together. In the fall we raised the sights of our movie camera to take in our magazine selling campaign. From this we realized profits of over \$600. On November 7 and 8 we gave the most important performance of our stage career when we presented "The Tower Room Mystery", a three-act mystery farce. Our Senior Ball in December centered around the theme of candy canes, Santa Claus and Christmas greens. As climax to our fourth year money making campaign we combined our profits and took our long awaited and privately-planned trip to New York City. We traveled by train, leaving Victor April 12 and returning April 16. We saw many wonderful things and shall always remember this exciting trip.

In finishing out the last few months until our graduation, we put out this third volume of our yearbook, "Bagel". We participated in our last Moving-Up Day exercises and gave our Class Night Program with all the finesse of accomplished actors and actresses. On June 27 we donned our caps and gowns for our last group appearance on our home stage where we were presented with our diplomas and thus recognized as Alumni of V.C.S.

Our twelve years together brought each of us friends and experiences which we shall always treasure and happy days of congeniality which can never be removed from our memories.

The two day run of the Oscar winning performance of the Class of 1950 began promptly at 8:15 P.M. on the night of November 7. The lights were dimmed and the audience grew quiet as the curtain was raised to reveal a dark and forboding stage of mystery. The mysterious Master who inhabited the old mansion entered the tower room through the secret staircase and captured Myra Vernon, a beautiful young girl who was looking for hidden treasure there.

What mystery! Kate and Jack Chalice (sister and brother) entered the house which they had inherited from an eccentric uncle and made their way up to the tower room. Here we learn that Jack is a writer and that Kate is romantically interested in Jack's backer, Kennedy Ellsworth. As Jack sets out to write a new mystery plot he is given all sorts of ideas by the continuous stream of mysterious incidents that occur in the tower room where he is trying to work. One of these disturbances comes in the form of a beautiful young girl, Myra Vernon, who Jack becomes very interested in.

Three plotting servants, Matilda, Emily, and Andrew, add to the confusion by planning to rid the house of its new owners. The entrance of Mrs. Barrett, a crazy woman and her keeper, Martin, add more bits of comedy and suspense to the scene. In the end the cast finds out that Ken has hired the Master and his wives to give Bill a few realistic suggestions for his book, including the "Master's Kiss Of Death". The servants are captured and the mystery comes to a grand finis.

The Class of '51 got under way by co-sponsoring the Halloween dance with the Lion's Club. The Junior Prom was held in May, and everyone declared it a huge success.

A stationery and wrapping paper campaign was waged during October and November. Throughout the basketball season, we sold candy and pop at all home games.

We served dinners for the Firemen and the Rod and Gun Club, which further boosted our treasury.

By the end of the year, we decided our Junior year had been successful. Our advisors are Mrs. Barry and Mr. Rogers.

Our Donkey Basketball game in January proved to be very hilarious, and also quite successful. The Cole Circus, which was our next activity also increased our treasury. A movie in the spring was our last attempt at raising money and we ended the year by giving our assembly before the student body.

The Student Council is a representative body of students who help in setting up school rules and in carrying out projects that will help the student body as a whole. The officers are elected in June of each year by the student body and the representatives are elected in the fall by the individual classes.

The first project of the Student Council was the organization of the merchants Halloween window contest. Each class participated by decorating the store-window allotted to it. Prizes were awarded by the Lion's Club.

To pay for the assembly programs presented to the student body, the Student Council sponsored six movies and a Christmas Round and Square Dance.

Our advisors are Mr. Corbit and Mr. Rogers.

We, of the yearbook staff have had a busy and successful year. We could not have attained our goal if it had not been for the much needed help of our advisor, Mrs. Barry. Our editor and assistant editor did a wonderful job and spent many hours supervising us to our final goal, the completion of our 1950 yearbook.

We have enjoyed our work very much and hope next year's staff may enjoy their work also.

The Victor F. F. A. has participated in many activities this year. Last summer several members attended Camp Oswegotchie, the State F.F.A. Camp. At the State Fair many members exhibited projects, and several received prizes.

This year the third annual school fair, which was held for two days, was co-sponsored with the F.H.A. It was hard work but provided much experience for those who helped with the exhibits. The third annual Parent and Son Banquet was held in January. Again this year delegates were sent to the State F.F.A. Convention in May.

The officers this year were:

President	Vernon Power
Vice-President	Eugene Fritz
Secretary	Robert Berndt
Treasurer	Gordon Gourlay
Reporter	Robert Barry
Sentinel	Robert Bowe

F.H.A.

The Future Homemakers of America, an organization of high school girls interested in homemaking, prepares girls for better home and community life.

Our biggest activity this year was the school fair, in which the F.F.A. and F.H.A. shared the work and the profits.

We sponsored a F.F.A. Parent and Son Banquet, which was very successful.

The annual Mother and Daughter Banquet for the F.H.A. girls was held in May. Our capable advisor is Miss Sion.

Bachelors Club

This group meets weekly to learn the art of cooking. The delicious odors that come from the homemaking room each week and the healthy appearance of the club members are sufficient testimonials to their culinary technique.

Harold Kesel recently upheld the club's standing by being selected as the only boy winner in a local apple pie baking contest.

The advisor and instructor for this group is Miss Sion.

Camera Club

The Camera Club, under the leadership of Mr. Ransom, has become a very active club this year. The club meets every Monday afternoon. They have learned the techniques of trick photography, developing, contact and portrait printing. The Camera Club helped the yearbook with many of its pictures.

Although the library club is small in number they accomplish a great deal. They meet once a month for a regular meeting. During the rest of the time they work either in the main library or the grade library in their free periods.

Among their many jobs are checking books in and out, and checking and stamping new literature. The girls manage to accomplish a lot and still enjoy their work.

Citizenship Committee

Under the leadership of Mr. Rogers, a new project was originated in V.C.S. in connection with the citizenship committee. The original duty of the committee was to keep the halls quiet and orderly between periods. Their additional job is to be stationed in the hall during periods to maintain order and prevent unnecessary interruptions of classes.

Although the 1949-1950 basketball season wasn't successful, the boys kept their spirits high. The team furnished their wonderful supporters with many exciting moments.

The boys displayed a wonderful show of sportsmanship which benefited the school a great deal. Led by co-captains Ken Weigert and Bill Bowe, the boys showed good fight and drive in their games. Weigert and Bowe led the scoring with 128 and 121 points respectively.

The Junior Varsity had a good record of nine wins and seven losses. The boys played hard and gained much experience which will be useful to them next year. "Dutch" McKeag's height along with the accuracy of the rest of the boys made the J.V.'s a strong club.

We finally got our long awaited sport at Victor. The School Board bought fifteen brand new football uniforms and the boys worked hard on laying out a regulation football field. We obtained a faithful coach in Carl Palumbo.

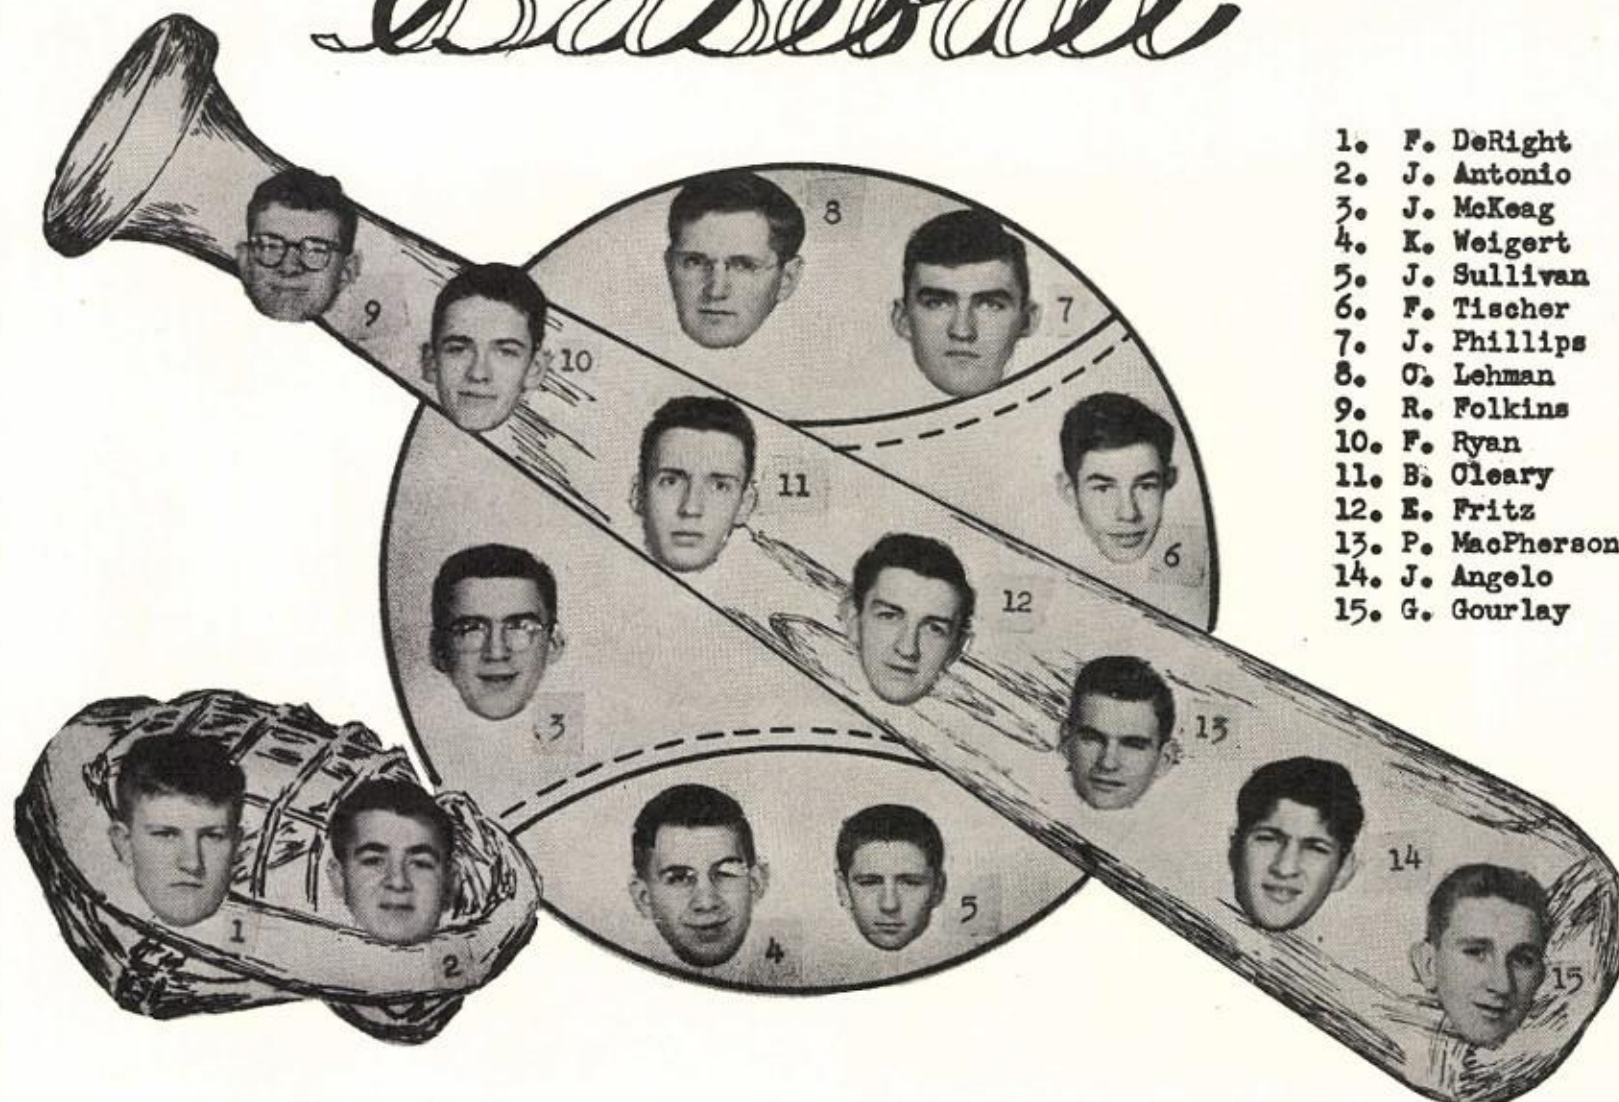

Mr. Palumbo spent much time in teaching the boys the fundamentals of football. He had a hard time in molding a team because of the small number of boys, and the short time he had. The squad had a high spirit and fought right to the end in every game. The members of the squad elected Gene Fritz and Jim Antonio co-captains to head the squad in 1949.

Gene Fritz led the team in scoring with five touchdowns.

The scores of our three league games are as follows:

Phelps	32	Victor	6
Manchester	39	Victor	6
Clifton	46	Victor	32

Led by Captain Joe Sullivan, Victor had a very spirited baseball team last year. Walt Henehan, our new coach, molded a fighting team out of the little material he had.

Track

For the second consecutive year the track boys from Victor Central won the championship in the Finger Lakes B League.

Ray Phillips, Bob Barry, and Gordon Berndt qualified to compete in the Section 5 meet at the University of Rochester Campus at the end of the season.

We have been very proud of our track teams and hope that future aspirants of the "Winged Foot" will be as successful.

A well constructed program of sports activities with Mrs. Popenhusen at the helm, made this year of intramurals especially constructive and enjoyable.

In the early fall the girls played soccer and baseball. Later on when basketball dominated the sports world, they had a chance to show their skill on the court.

The winning intramural teams had the opportunity of attending or being the hostess at a playday with other schools.

Other activities throughout the year included archery, ping pong, tennis, volley ball and floatball. Of course, the all-important swim trips were made again this year during November, December, April and May.

ALMA MATER

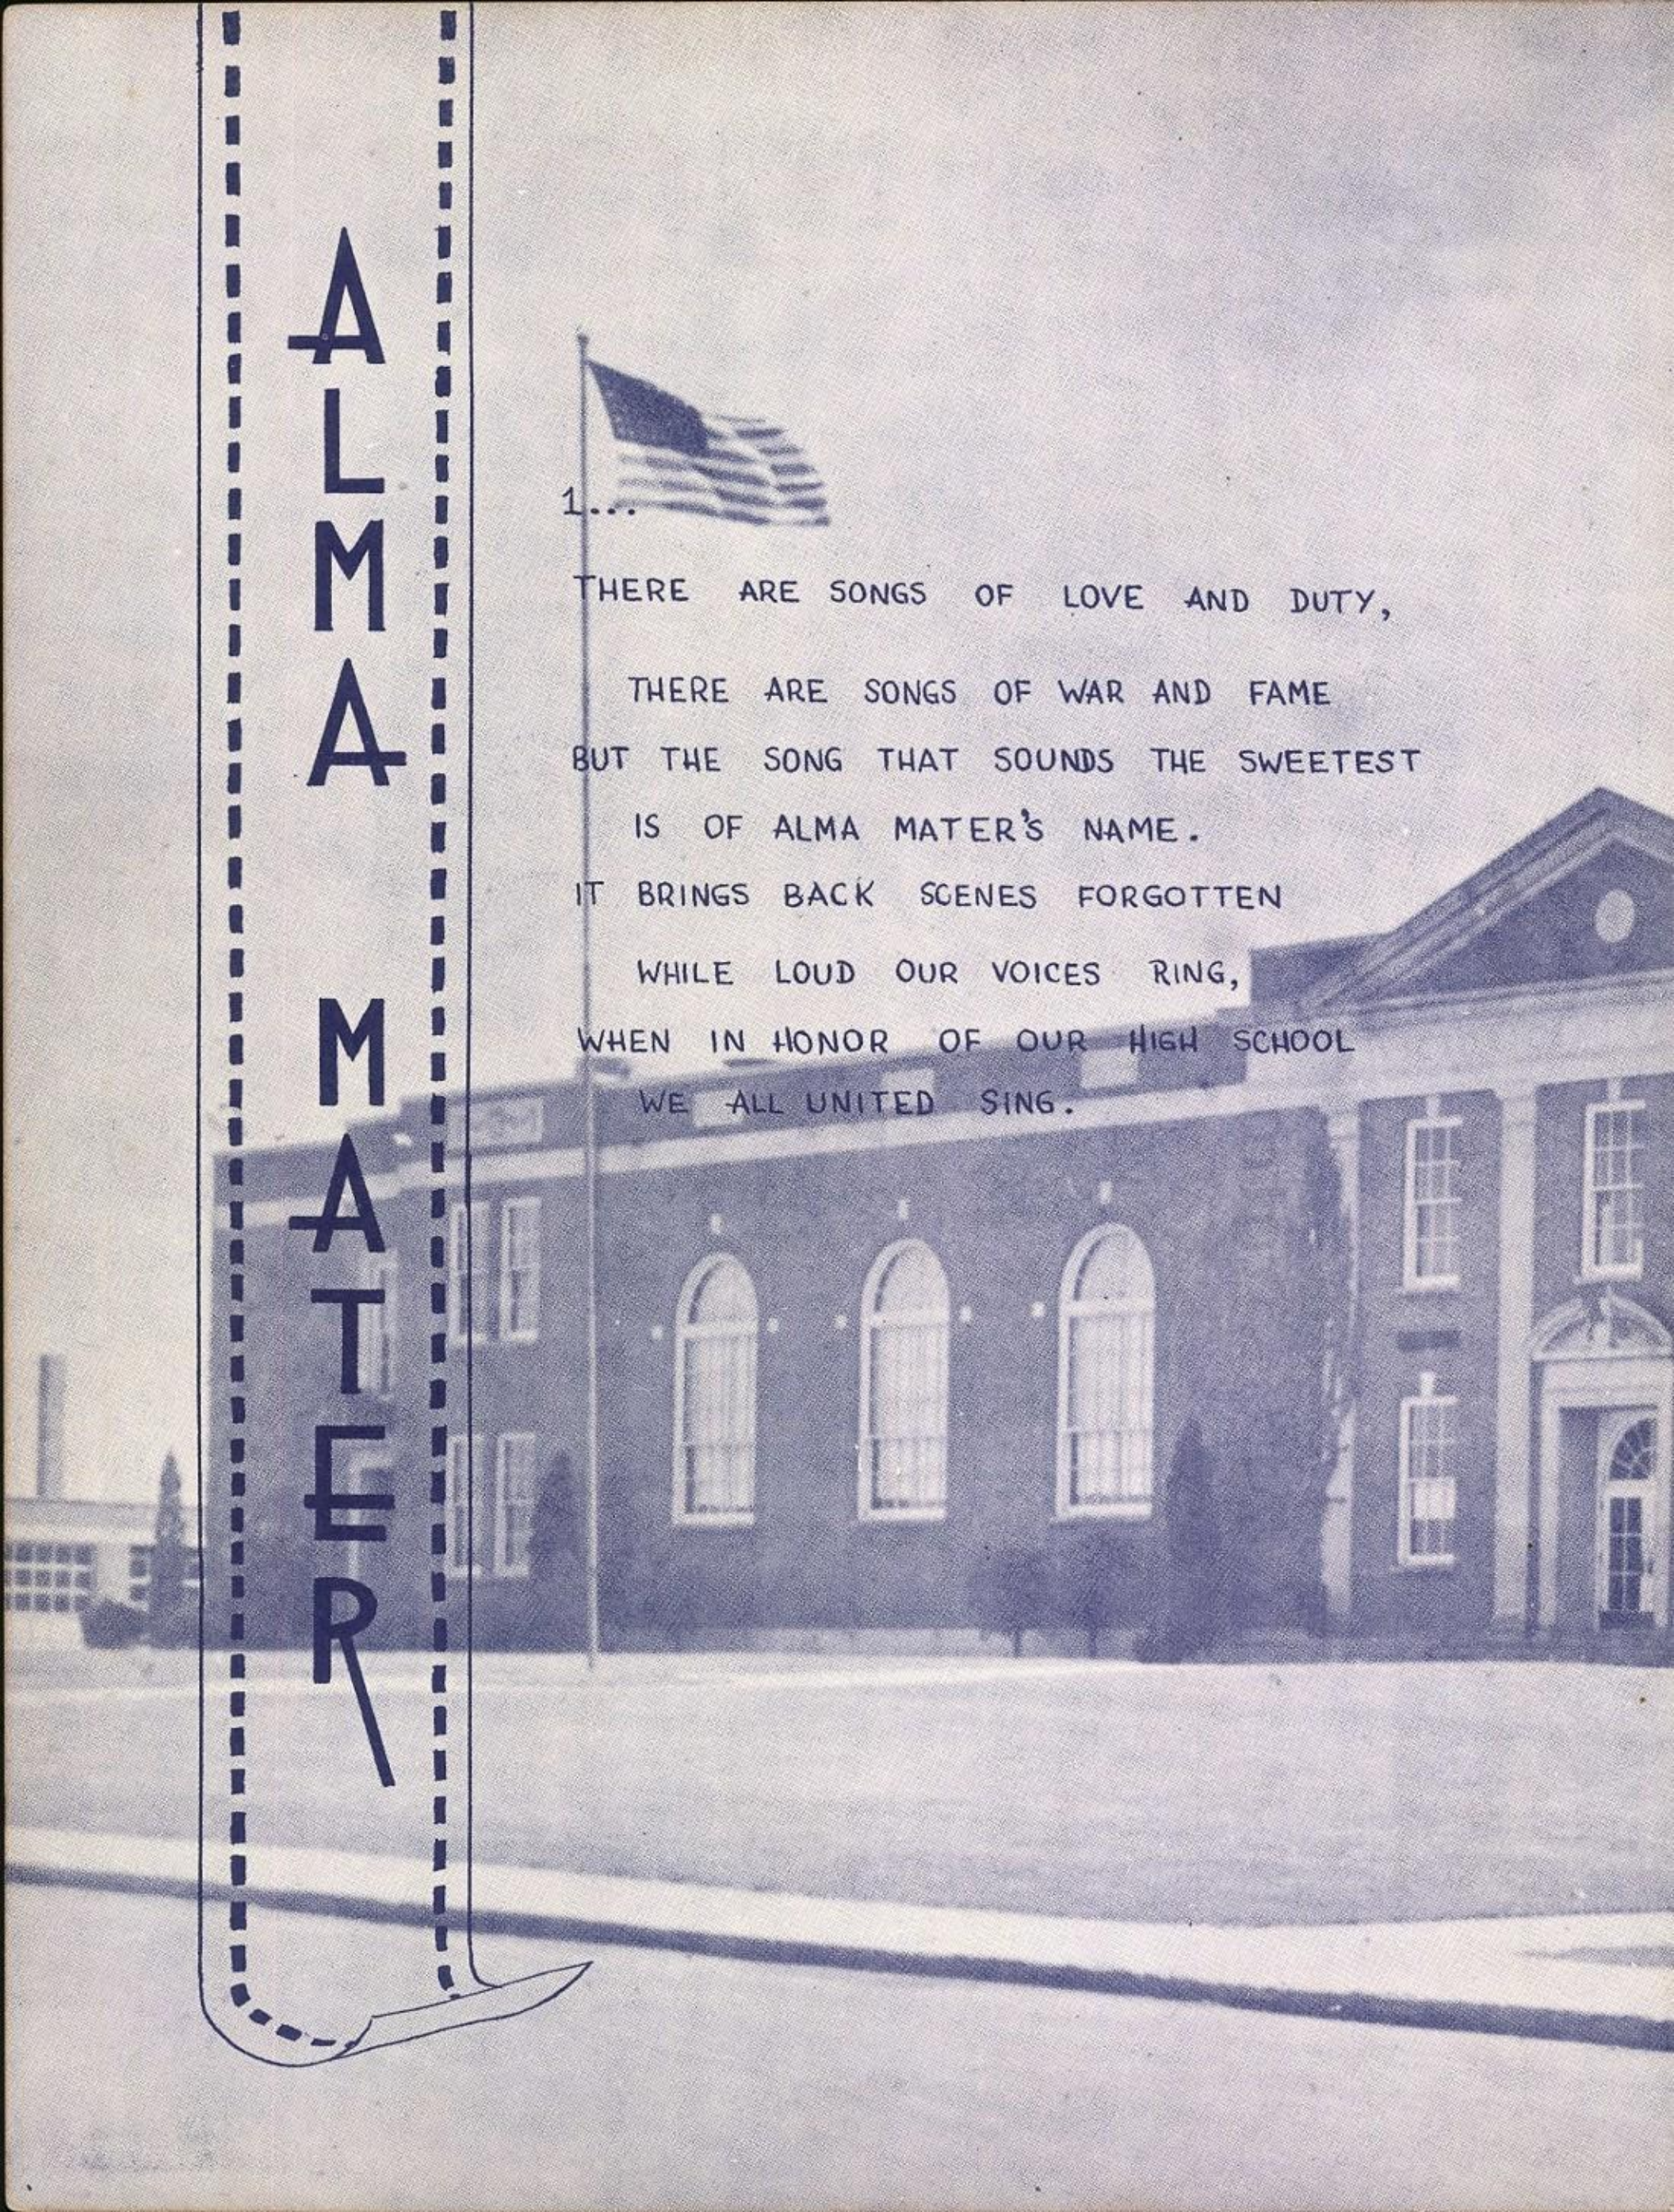

1...

THERE ARE SONGS OF LOVE AND DUTY,

THERE ARE SONGS OF WAR AND FAME
BUT THE SONG THAT SOUNDS THE SWEETEST
IS OF ALMA MATER'S NAME.

IT BRINGS BACK SCENES FORGOTTEN

WHILE LOUD OUR VOICES RING,
WHEN IN HONOR OF OUR HIGH SCHOOL
WE ALL UNITED SING.

REFRAIN :

O VICTOR HIGH, WE LOVE THEE
OUR ALMA MATER DEAR,
AND WE SHALL EVER HOLD THEE
TO OUR AFFECTIONS NEAR.

THY NAME, IT STANDS FOR HONOR
FOR COURAGE, CONSTANCY,
TO THEE, DEAR ALMA MATER,
WE PLEDGE OUR LOYALTY.

2...

THO THE YEARS BRING MANY CHANGES;
DUTIES CALL US FAR AWAY;
NEW FRIENDSHIPS THROG AROUND US;
EYES DIM, AND LOCKS TURN GRAY,

WE NEVER SHALL FORGET THEE,

NO MATTER WHERE WE ROAM,

V. H. S. OUR ALMA MATER,

WILL BE LINKED WITH HOME SWEET HOME.
